Little London Organic Gin 0,7L 59,-

The Little London Loony gin is one example of the crazy creative ingenuity that characterizes our gins. Each bottle utilizes a full 5.8 kilos of carrots and for this reason one finds a crazy rabbit displayed on each label.

Our debut, Little London Gin, was our first creative effort into the world of gin. This premier edition is characterized by notes of fresh ginger, orange and lemongrass and is distilled in the Bavarian forest by Wilhelm Marx.
